

TRAVELERS SAFETY GUIDELINES

Look for symptoms: fever, coughing, shortness of breath (check [cdc.gov](https://www.cdc.gov) for a complete list)

Arrive early: 2 hours for domestic travel or 3 hours for international

Entry to terminal building is **restricted** to ticketed passengers and airport workers only

Use of masks or other facial coverings is mandatory inside the terminal

Avoid traveling if you are sick

Wash your hands frequently to protect yourself and others

Avoid touching your face with unwashed hands

Practice social distancing – 6 feet when possible

Use hand sanitizer (TSA will allow up to 12oz)

Use mobile boarding pass or airline apps to minimize cross-contamination

*BWI Marshall will be distributing masks free of charge (while supplies last).
